Leicester,
April 6. 1866.

Dear Mr. Garrison,

45- It seems only proper that you should see, — & send to Mr. Garrison if you please, the address* which our Committee unanimously adopted, & to which we desire to get the names of certain good people. It was written by Ex Gov. John A. Andrew. At present we wish no publicity given to the movement.

Hoping that you are hearing good accounts from Mr. G.,

I remain,

Your friend

Saml. May Jr
